PUBLIC COMMENTS:

This is the time and place for the general public to address the community service district on matters within our jurisdiction that are not currently on the agenda. State law prohibits the board directors from addressing any issue not previously included on the agenda. The community service district may receive comment and set the matter for a subsequent meeting. Speakers are asked to limit their comments to five (5) minutes; yielding time to another speaker is never allowed. All “speaker cards” must be received prior to the agenda item being addressed.
